Biography – I am 40 years of age. I was born and raised in Eastern Idaho and currently reside in Idaho Falls. I am an attorney practicing all types of business law with the firm Smith, Driscoll & Associates, PLLC. I am married to Shara Zollinger and we have 5 children. I have served as a precinct committee officer in Bonneville County for 5 years and have served on the Idaho Falls District 91 School Board for the past 3 years. I have and continue to coach and mentor hundreds of youth in our community through the Boy Scouts of America, youth sports and religious organizations.

Why Vote for me? My top priorities? I would ask voters to vote for me because I will stand up for the Constitution of the United States and for the Idaho State Constitution. I am a constitutional conservative who believes that if we would adhere to the principles contained in our great Constitution, we would not be in the mess we currently find ourselves in. I support lower taxes and will vote against all proposed tax increases. I believe we need to remove existing laws that prohibit or make it difficult for individuals to do business in this state and will work to restore economic liberty. I believe strongly that the federal government has no place in education and will work fervently to restore local control. I also believe that we have some of the greatest educators in the world and we need to compensate them as such so that we can retain these great educators while also allowing parents complete control over the education of their children. If you also support these positions, I would ask for your vote. Feel free to contact me anytime to discuss these or any other issues. Thank you, Bryan N. Zollinger.
