SECRETARY OF STATE
STATE OF IDAHO

Biography:

Born and raised as an Idaho farmer/rancher, standing on a 120-year-old family farm that has earned the "Century Farm of Idaho 1892-1992" award, I have the best interest of Idaho agriculture in mind. I graduated from Middleton High School, from there I entered the Naval Forces. I am a proud Veteran with 2 years of active duty and 5 years Naval Reserve. Since my time in the service, I have continued the legacy of the family farm while remaining active in the community supporting the local FFA chapters. I am a former volunteer for Middleton Rural Fire Department as well as former Middleton Rural Fire District Commissioner. I am currently a member of the Canyon County Farm Bureau, the Boise River Water District #63 Advisory Board, the Treasure Valley Water Users, NRA, and have been a member of the Caldwell Elks Lodge 1448 for the past 58 years.

Why Vote for Me?

My passion for Idaho agriculture will follow me into office. If elected, I will work to preserve Idaho farm land and waters. I will strive to enforce reclamation plans on gravel pits and help make sure that the state of Idaho stays in the black. District #11 is comprised mostly of farmland, and with my 50+ years of experience of farming and ranching, these are issues that I am familiar and knowledgeable about.
