I was born in Los Angeles, CA. 51 years ago and lived there for the first 23 years of my life. My Mother and 2 older brothers still live there. I moved to Boise, Idaho in 1987, married my wife in 1996 and moved to Nampa in 2001. We have four grown children and six grand children, of which, three we are raising. I am currently the Director of Sales at the Holiday Inn Express & Suites Nampa – Idaho Center. I attended West Los Angeles College and majored in Administration of Justice. In the Canyon County Republican Central Committee, I was approved/voted in as a Precinct Committeeman for half a term and then duly elected to the same position in the following two terms, in which I am still serving. I am a member of Nampa Rotary, a Nampa Chamber of Commerce Ambassador, on the Nampa Tourism Council and involved in my church and the community. In addition, I have served on and in several Boards and Associations.

I ask for your vote because, I make my decisions based on principle and people, not on party politics or pressure. I truly believe and accept the elected officials are really “Public Servants”. Therefore I don’t subscribe to the “Special Club, Establishment” mentality, we are all in this together. I, like some, am involved in the community and care about service. I believe that I am worthy of your vote because I am a man of morals and Integrity, and will work diligently to protect Idaho.

The top priorities are lowering/controlling taxes & spending, freedom from Federal tyranny, Idaho controlling Idaho’s lands, encouraging economic growth and protecting religious freedom.
