SECRETARY OF STATE
STATE OF IDAHO

Statement: I am Anthony Tomkins and I am running for the U.S. House in the Idaho second congressional district. I am running so that there will be a conservative option for congress on the ballot this November. My only desire is to uphold and defend the United States Constitution and follow all of the rules set forth in it. I feel that as we follow the Constitution we can fully 'Embrace Freedom' and be able to truly follow the founding fathers' dream of living in a free country. My three top priorities are to protect innocent life, reduce federal spending, and defend the rights of Americans. I have no motivation to excel myself politically and promise to serve no more than four terms in the House. I am willing to make the hard moral decisions, even if they destroy me politically, so I will never be bought out by any special interest and will only serve the interests of the people of Idaho. I am thankful for the opportunity to be able to represent the ideals that we hold dear and I am excited to have your support. Thank you.
