SECRETARY OF STATE  
STATE OF IDAHO

My name is Stephen F. Howlett, and I have thrown my hat in the ring as a write-in **Democratic** candidate for the Idaho State Legislature, District 1 Seat B. Because I am running for this seat as a write-in candidate, I need you - the voters, to write my name: Stephen F. Howlett on the write-in line on your ballot and check the box at the Idaho Primary on May 17, 2016.

I have lived in Bonner and Boundary Counties since 1977. I spent my first decade here working in the retail lumber industry. I then started my own building and remodeling business which I have been operating successfully now for 28 years.

I'm also proud of my long years of volunteer work in our community. For 18 years as an EMT-A with the Boundary County Volunteer Ambulance Association. I also served as Chairman of the Boundary County Parks and Recreation Department for 17 years.

I am running as a Democrat write-in candidate, and unlike my opponent, I have been active with the Boundary County Democratic Central Committee for 14 years. For twelve of those years I have been privileged to serve as an active board member. I am also a six term elected Precinct Captain for the Naples precinct within Boundary County. My most recent Official responsibility was to serve as the 2016 Presidential Caucus Chairman, responsible for running the Boundary County Caucus.

I am the **ONLY** endorsed **Democratic** candidate for Legislative District 1, Seat B by both the Boundary and Bonner County Democrat Central Committees.

Creating opportunities for all Idahoans:

1. It is obvious to me that investing in good educational systems will prepare all our children to complete successfully in this world's modern economy. It is clear that high quality schools attract business and industry to startup or relocate in our area.
2. It is important that we fight for a living wage, a wage that allows worker and therefore local businesses to prosper
3. I will work for the continued health and security of the seniors in our Northern Idaho communities and in the entire state.
4. And without question I will work to defend the rights of all citizens as guaranteed by our constitution.

I ask voters to **WRITE-IN**

**Democrat** Stephen F. Howlett for Idaho Legislative District 1, Seat B
