Each Lender to your campaign should be listed separately. Each time a loan is received or you loan money to the campaign, it must be listed as a separate item. Each new loan from any Lender must be listed as a new item from that Lender. You may have the same Lender listed more than once. Except for a candidate making a loan to his or her own campaign, loans from any Lender cannot exceed contribution limits laid out in Section 67-8610A, Idaho Code, even if it is repaid in full.

Any loan(s) with a balance(s) appearing on the last report must be listed below with the amount in the Previous Balance column. Any new loan amounts should be listed in the New Loan column. Any interest accrued should be listed in the Interest Accrued column. If a payment was made on the loan, list it in the Repayments column. Note: Any loan that was repaid in full in a previous reporting period does not need to be listed. The Outstanding Balance column is the Previous Balance plus new loans and accrued interest less any repayments.
