~~5.~~ The amount of any tax (not including, however, any manufacturers' or importers' excise tax) imposed by the United States upon or with respect to retail sales whether imposed upon the retailer or the consumer.

~~65.~~ The amount charged for finance charges, carrying charges, service charges, time-price differential, or interest on deferred payment sales, provided such charges are not used as a means of avoiding imposition of this tax upon the actual sales price of the tangible personal property.

SECTION 9. That Section 63-3615, Idaho Code, be, and the same is hereby amended to read as follows:

63-3615. STORAGE -- USE. (a) The term "storage" includes any keeping or retention in this state for any purpose except sale in the regular course of business or subsequent use solely outside this state of tangible personal property purchased from a retailer.

(b) The term "use" includes the exercise of any right or power over tangible personal property incident to the ownership or the leasing of that property or the exercise of any right or power over tangible personal property by any person in the performance of a contract, or to fulfill contract or subcontract obligations, whether the title of such property be in the subcontractor, contractor, contractee, subcontractee, or any other person, or whether the titleholder of such property would be subject to the sales or use tax, unless such property would be exempt to the titleholder under section 63-3622D, Idaho

Code, except that the term "use" does not include the sale of that property in the regular course of business. The term "use" includes the consumption of a service in Idaho.

(c) "Storage" and "use" do not include the keeping, retaining, or exercising of any right or power over tangible personal property for the purpose of subsequently transporting it outside the state for use thereafter solely outside the state, or for the purpose of being processed, fabricated, or manufactured into, attached to, or incorporated into other tangible personal property to be transported outside the state, and thereafter used solely outside the state.

SECTION 10. That Section 63-3616, Idaho Code, be, and the same is hereby amended to read as follows:

63-3616. TANGIBLE PERSONAL PROPERTY. (a) The term "tangible personal property" means personal property which may be seen, weighed, measured, felt or touched, or which is in any other manner perceptible to the senses

~~(b) The term "tangible personal property" includes any computer software except the following: custom computer programs; computer software that is delivered electronically, remotely accessed computer software; and computer software that is delivered by the load and leave method where the vendor or its agent loads the software at the user's location but does not transfer any tangible personal property containing the software to the user. As used in this subsection, the term "remotely accessed software" means software that a user accesses over the internet over private or public networks, or through wireless media, where the user has only the right to use or access the software by means of a license, lease, subscription, service or other agreement. Notwithstanding the foregoing exclusions of certain types of computer software from the definition of tangible personal property, tangible personal property shall include computer software that constitutes digital music, digital books, digital videos and digital video games when the purchaser has a permanent right to use such software and regardless of the method of delivery or access. If the right to use digital music, digital books, digital videos or digital games is conditioned upon the continued payment from the purchaser it is not a permanent right of use.~~

~~(i) As used in this subsection, the term "computer software" means any computer program, part of a program or any sequence of instructions for automatic data processing equipment or information stored in an electronic medium.~~

~~(ii) As used in this subsection, the term "custom computer program" means any computer software (as defined in this subsection) which is written or prepared exclusively for a customer and includes those services represented by separately stated charges for the modification of existing prewritten programs when the modifications are written or prepared exclusively for a customer. The term does not include a "canned" or prewritten program which is held or existing for general or repeated sale, lease or license, even if the program was initially developed on a custom basis or for in-house use. Modification to an existing prewritten program to meet the customer's needs is custom computer programming only to the extent of the modification, and only to the extent that the actual amount charged for the modification is separately stated on invoices, statements, and other billing documents supplied to the purchaser.~~

~~(c) The term "tangible personal property" does not include advertising space when sold to an advertiser or its agent by the publisher of the newspaper or the magazine in which the advertisement is displayed or circulated.~~

SECTION 11. That Section 63-3619, Idaho Code, be, and the same is hereby amended to read as follows:

63-3619. IMPOSITION AND RATE OF THE SALES TAX. An excise tax is hereby imposed upon each sale at retail at the rate of six five percent (65%) of the sales price of all retail sales, including sales of services, subject to taxation under this chapter and such amount shall be computed monthly on all sales at retail within the preceding month.

(a) The tax shall apply to, be computed on, and collected for all credit, installment, conditional or similar sales at the time of the sale or, in the case of rentals, at the time the rental is charged.

(b) The tax hereby imposed shall be collected by the retailer from the consumer.

(c) The state tax commission shall provide schedules for collection of the tax on sales, including sales of services, which involve a fraction of a dollar. The retailer shall calculate the tax upon the entire amount of the purchases of the consumer made at a particular time and not separately upon each item purchased. The retailer may retain any amount collected under the bracket system prescribed which is in excess of the amount of tax for which he is liable to the state during the period as compensation for the work of collecting the tax.

(d) It is unlawful for any retailer to advertise or hold out or state to the public or to any customer, directly or indirectly, that the tax or any part thereof will be assumed or absorbed by the retailer or that it will not be added to the selling price of the property or service sold or that if added it or any part thereof will be refunded. Any person violating any provision of this section is guilty of a misdemeanor.

(e) The tax commission may by rule provide that the amount collected by the retailer from the customer in reimbursement of the tax be displayed separately from the list price, the price advertised on the premises, the marked price, or other price on the sales slip or other proof of sale.

(f) The taxes imposed by this chapter shall apply to the sales, including sales of services, to contractors purchasing for use in the performance of contracts with the United States.

SECTION 12. That Section 63-3621, Idaho Code, be, and the same is hereby amended to read as follows:

63-3621. IMPOSITION AND RATE OF THE USE TAX -- EXEMPTIONS. An excise tax is hereby imposed on the storage, use, or other consumption in this state of tangible personal property or services acquired on or after ~~October 1, 2006~~ July 1, 2017, for storage, use, or other consumption in this state at the rate of ~~six~~ five percent (~~6~~5%) of the value of the property or service, and a recent sales price shall be presumptive evidence of the value of the property or service unless the property is wireless telecommunications equipment, in which case a recent sales price shall be conclusive evidence of the value of the property or service.

(a) Every person storing, using, or otherwise consuming, in this state, tangible personal property or services is liable for the tax. His liability is not extinguished until the tax has been paid to this state except that a receipt from a retailer maintaining a place of business in this state or engaged in business in this state given to the purchaser is sufficient to relieve the purchaser from further liability for the tax to which the receipt refers. ~~A retailer shall not be considered to have stored, used or consumed wireless telecommunications equipment by virtue of giving, selling or otherwise transferring such equipment at a discount as an inducement to a consumer to commence or continue a contract for telecommunications service~~

(b) Every retailer engaged in business in this state, and making sales of tangible personal property or services for the storage, use, or other consumption in this state, not exempted under section 63-3622, Idaho Code, shall, at the time of making the sales or, if storage, use or other consumption of the tangible personal property or services is not then taxable hereunder, at the time the storage, use or other consumption becomes taxable, collect the tax from the purchaser and give to the purchaser a receipt therefor in the manner and form prescribed by the state tax commission.

(c) The provisions of this section shall not apply when the retailer pays sales tax on the transaction and collects reimbursement for such sales tax from the customer.

(d) Every retailer engaged in business in this state or maintaining a place of business in this state shall register with the state tax commission and give the name and address of all agents operating in this state, the location of all distributions or sales houses or offices or other places of business in this state, and such other information as the state tax commission may require.

(e) For the purpose of the proper administration of this act and to prevent evasion of the use tax and the duty to collect the use tax, it shall be presumed that tangible personal property or services sold by any person for delivery in this state is sold for storage, use, or other consumption in this state. The burden of proving the sale is tax exempt is upon the person who makes the sale unless he obtains from the purchaser a resale certificate to the effect that the property or service is purchased for resale or rental. It shall be presumed that sales made to a person who has completed a resale certificate for the seller's records are not taxable and the seller need not collect sales or use taxes unless the tangible personal property or service purchased is taxable to the purchaser as a matter of law in the particular instance claimed on the resale certificate.

A seller may accept a resale certificate from a purchaser prior to the time of sale, at the time of sale, or at any reasonable time after the sale when necessary to establish the privilege of the exemption. The resale certificate relieves the person selling the property or service from the burden of proof only if taken from a person who is engaged in the business of selling or renting tangible personal property or service and who holds the permit provided for by section 63-3620, Idaho Code, or who is a retailer not engaged in business in this state, and who, at the time of purchasing the tangible personal property or service, intends to sell or rent it in the regular course of business or is unable to ascertain at the time of purchase whether the property or service will be sold or will be used for some other purpose. Other than as provided elsewhere in this section, when a resale certificate, properly executed, is presented to the seller, the seller has no duty or obligation to collect sales or use taxes in regard to any sales transaction so documented regardless of whether the purchaser properly or improperly claimed an exemption. A seller so relieved of the obligation to collect tax is also relieved of any liability to the purchaser for failure to collect tax or for making any report or disclosure of information required or permitted under this chapter.

The resale certificate shall bear the name and address of the purchaser, shall be signed by the purchaser or his agent, shall indicate the number of the permit issued to the purchaser, or that the purchaser is an out-of-state retailer, and shall indicate the general character of the tangible personal property or service sold by the purchaser in the regular course of business. The certificate shall be substantially in such form as the state tax commission may prescribe.

(f) If a purchaser who gives a resale certificate makes any storage or use of the property or service other than retention, demonstration or display while holding it for sale in the regular course of business, the storage or use is taxable as of the time the property or service is first so stored or used.

(g) Any person violating any provision of this section is guilty of a misdemeanor and punishable by a fine not in excess of one hundred dollars (\$100), and each violation shall constitute a separate offense.

(h) It shall be presumed that tangible personal property shipped or brought to this state by the purchaser was purchased from a retailer, for storage, use or other consumption in this state.

(i) It shall be presumed that tangible personal property or service delivered outside this state to a purchaser known by the retailer to be a resident of this state was purchased from a retailer for storage, use, or other consumption in this state. This presumption may be controverted by evidence satisfactory to the state tax commission that the property or service was not purchased for storage, use, or other consumption in this state.

(j) When the tangible personal property or service subject to use tax has been subjected to a general retail sales or use tax by another state of the United States in an amount equal to or greater than

the amount of the Idaho tax, and evidence can be given of such payment, the property will not be subject to Idaho use tax. If the amount paid the other state was less, the property or service will be subject to use tax to the extent that the Idaho tax exceeds the tax paid to the other state. For the purposes of this subsection, a registration certificate or title issued by another state or subdivision thereof for a vehicle or trailer or a vessel as defined in section 67-7003, Idaho Code, shall be sufficient evidence of payment of a general retail sales or use tax.

(k) The use tax herein imposed shall not apply to the use by a nonresident of this state of a motor vehicle which is registered or licensed under the laws of the state of his residence and is not used in this state more than a cumulative period of time totaling ninety (90) days in any consecutive twelve (12) months, and which is not required to be registered or licensed under the laws of this state. The use tax herein shall also not apply to any use of a motor vehicle which is registered or licensed under the laws of the state of residence of a nonresident student while such nonresident student is enrolled as a full time student in an institution of postsecondary education that is both physically located in Idaho and recognized as accredited by the state board of education.

(l) The use tax herein imposed shall not apply to the use of household goods, personal effects and personally owned vehicles or personally owned aircraft by a resident of this state, if such articles were acquired by such person in another state while a resident of that state and primarily for use outside this state and if such use was actual and substantial, but if an article was acquired less than three (3) months prior to the time he entered this state, it will be presumed that the article was acquired for use in this state and that its use outside this state was not actual and substantial. The use tax herein imposed shall not apply to the use of household goods, personal effects and personally owned vehicles or personally owned aircraft owned by active duty military personnel temporarily assigned in this state and spouses who accompany them if such articles were acquired prior to receipt of orders to transfer to Idaho or three (3) months prior to moving to Idaho, whichever time period is shorter. For purposes of this subsection, "resident" shall be as defined in section 63-3013 or 63-3013A, Idaho Code.

(m) The use tax herein imposed shall not apply to the storage, use or other consumption of tangible personal property or service which is or will be incorporated into real property and which has been donated to and has become the property of:

- (1) A nonprofit organization as defined in section 63-3622O, Idaho Code; or
- (2) The state of Idaho; or
- (3) Any political subdivision of the state.

This exemption applies whether the tangible personal property or service is incorporated in real property by the donee, a contractor or subcontractor of the donee, or any other person.

~~(n) The use tax herein imposed shall not apply to tastings of food and beverages, including, but not limited to, wine and beer. For the purposes of this subsection, a tasting of wine and beer shall be defined as the maximum serving allowed by state or federal laws for such occasions provided to a potential customer, at no charge, at a location where similar beverages are sold. For nonalcoholic beverages and food, a tasting shall be defined as a sample from a unit available for sale at the tasting location.~~

~~(o) The use tax herein imposed shall not apply to donations of food or beverages, or both to individuals or nonprofit organizations. For the purposes of this section, "nonprofit organization" means those nonprofit entities currently registered with the secretary of state pursuant to section 30-3-2, Idaho Code.~~

~~(p) The use tax herein imposed shall not apply to a retailer supplying prepared food or beverages free of charge to its employee when that retailer sells prepared food or beverages in its normal course of business.~~

SECTION 13. That Section 63-3622, Idaho Code, be, and the same is hereby amended to read as follows:

63-3622. EXEMPTIONS -- EXEMPTION AND RESALE CERTIFICATES -- PENALTIES. (a) To prevent evasion of the sales and use tax, it shall be presumed that all sales are subject to the taxes imposed by the provisions of this chapter and the retailer shall have the burden of establishing the facts giving rise to such exemption unless the purchaser delivers to the retailer, or has on file with the retailer, an exemption or resale certificate.

(b) An exemption certificate shall show the purchaser's name, business name and address (if any), address, and signature and the reason for and nature of the claimed exemption.

(c) A resale certificate shall be signed by and bear the name and address of the purchaser or his agent, shall indicate the number of the permit issued to the purchaser or that the purchaser is an out-of-state retailer, and shall indicate the general character of the tangible personal property or service sold or rented by the purchaser in the regular course of business. A resale certificate relieves the seller from the burden of proof only if taken from a person who is engaged in the business of selling or renting tangible personal property or service and who holds a permit provided for in this section, or who is a retailer not engaged in business in this state, and who, at the time of purchasing the tangible personal property or service, intends to sell or rent it in the regular course of business or is unable to ascertain at the time of purchase whether the property or service will be sold or will be used for some other purpose. If a purchaser who gives a resale certificate makes any use of the property or service other than retention, demonstration or display while holding it for sale or rent in the regular course of business, the use shall be taxable to the purchaser as of the time the property or service is first used by him, and the sales price of the property or service to him shall be deemed the measure of the tax.

(d) A seller may accept an exemption or resale certificate from a purchaser prior to the time of sale, at the time of the sale, or at any reasonable time after the sale when necessary to establish the

privilege of the exemption. Other than as provided elsewhere in this section, when an exemption or resale certificate, properly executed, is presented to or is on file with the seller, the seller has no duty or obligation to collect sales or use taxes in regard to any sales transaction so documented regardless of whether the purchaser properly or improperly claimed an exemption. A seller so relieved of the obligation to collect tax is also relieved of any liability to the purchaser for failure to collect tax or for making any report or disclosure of information required or permitted under this chapter. A seller need not accept an exemption or resale certificate that is not readable, legible or copyable.

(e) Any person who gives an exemption or resale certificate with the intention of evading payment of the amount of the tax applicable to the transaction is guilty of a misdemeanor and punishable by a fine not exceeding one thousand dollars (\$1,000) or imprisonment for not more than one (1) year, or by both such fine and imprisonment.

(f) An exemption or resale certificate shall be substantially in such form as the state tax commission may prescribe. The claim for the exemption may be a part of the documentation on a sales invoice, purchase order, or other documentation retained by the retailer with regard to the sale. Unless the purchaser has an exemption or resale certificate on file with the seller, the purchaser or his agent must sign the exemption claim, which shall be in addition to any other signature which the seller normally requires on sales invoices, purchase orders, or other sales documentation.

(g) It shall be presumed that sales made to a person who has completed an exemption or resale certificate for the seller's records are not taxable and the seller need not collect sales or use taxes unless the tangible personal property or services purchased are taxable to the purchaser as a matter of law in the particular instance claimed on the exemption certificate.

63-3642. PLACE WHERE SALE OCCURS -- SOURCING. (1) The term "sourcing" means the point at which a retail sale occurs. The retail sale of a product or service, excluding lease or rental, of a product shall be sourced as follows:

(a) When the product or service is received by the purchaser at a business location of the seller, the sale is sourced to that business location.

(b) When the product or service is not received by the purchaser at a business location of the seller, the sale is sourced to the location where received by the purchaser, or the purchaser's donee, designated as such by the purchaser, occurs, including the location indicated by instructions for delivery to the purchaser, or donee, known to the seller.

(c) When subsection (1)(a) and (1)(b) of this section does not apply, the sale is sourced to the location indicated by an address for the purchaser that is available from the business records of the seller that are maintained in the ordinary course of the seller's business when use of this address does not constitute bad faith.

(d) When subsection (1)(a), (1)(b) and (1)(c) of this section does not apply, the sale is sourced to the location indicated by an address for the purchaser obtained during the consummation of the sale, including the address of a purchaser's payment instrument, if no other address is available, when use of this address does not constitute bad faith.

(e) When none of the previous provisions of subsection (1)(a), (1)(b), (1)(c) or (1)(d) of this section apply, including the circumstance in which the seller is without sufficient information to apply the previous provisions, then the location will be determined by the address from which tangible personal property was shipped, from which the digital goods or the computer software delivered electronically was first available for transmission by the seller, or from which the service was provided, disregarding for these purposes any location that merely provided the digital transfer of the product or service sold.

(2) The lease or rental of tangible personal property, other than property identified in subsection (3) or (4) of this section, shall be sourced as follows:

The primary property location shall be as indicated by an address for the property provided by the lessee that is available to the lessor from its records maintained in the ordinary course of business, when use of this address does not constitute bad faith. The property location shall not be altered by intermittent use at different locations, such as use of business property that accompanies employees on business trips and service calls.

(b) For a lease or rental that does not require recurring periodic payments, the payment is sourced the same as a retail sale in accordance with the provisions of subsection (1) of this section.

(3) The lease or rental of motor vehicles, trailers, semitrailers or aircraft that do not qualify as transportation equipment as defined in subsection (4) of this section, shall be sourced as follows:

(a) For a lease or rental that requires recurring periodic payments, each periodic payment is sourced to the primary property location. The primary property location shall be as indicated by an address for the property provided by the lessee that is available to the lessor from its records maintained in the ordinary course of business, when use of this address does not constitute bad faith. This location shall not be altered by intermittent use at different locations.

(b) For a lease or rental that does not require recurring periodic payments, the payment is sourced the same as a retail sale in accordance with the provisions of subsection (1) of this section.

(4) The retail sale, including lease or rental, of transportation equipment shall be sourced the same as a retail sale in accordance with the provisions of subsection (1) of this section, notwithstanding the exclusion of lease in subsection (1) of this section. "Transportation equipment" means any of the following:
